Overview

The General Stilwell Community Center (GSCSS) parking lot will close at 12:00 PM on event day to prepare for Trunk or Treat. All trunk participant vehicles must be parked and set up by 2:30 PM. No vehicle movement will be allowed after this time for safety reasons. General parking will be directed to the old Exchange parking lot across Gigling Road.

Parking Zones

• **Stilwell Lot:** Reserved for trunk decorators and ADA parking only. ADA parking will be located in the front lot, clearly marked.
• **General Parking:** Located across the street in the Old Exchange parking lot. Volunteers will be stationed at the crosswalk on Gigling Road to ensure safe pedestrian crossing.
• **Parking Attendant:** Stationed at GSCC lot entrance to redirect all public parking to the old Exchange lot and allow registered trucks or displayed handicap placards into lot.

Traffic Flow & Staffing

Trunk participant vehicles will follow specific directional instructions provided separately. Entry and exit points will be clearly marked and monitored. A parking attendant will manage the GSCC lot entrance. Volunteers will monitor the crosswalk throughout the event to ensure safe pedestrian movement.
