Overview

The General Stilwell Community Center (GSCC) parking lot will close at 9:00 AM on event day to prepare for Touch A Truck. All participant vehicles must be parked and set up by 9:40 AM. No vehicle movement will be allowed after this time for safety reasons. General parking will be directed to the old Exchange parking lot across Gigling Road.

Parking Zones

- **Stilwell Lot:** Reserved for Static Display and Accessible parking only. Accessible parking will be located in the back lot, off of 6th Division Road clearly marked.
- **General Parking:** Located across the street in the Old Exchange parking lot. Volunteers will be stationed at the crosswalk on Gigling Road to ensure safe pedestrian crossing.
- **Parking Attendant:** Stationed at GSCC lot entrance to redirect all public parking to the old Exchange lot and allow registered trucks or displayed handicap placards into lot.

Traffic Flow & Staffing

Truck participant vehicles will follow specific directional instructions provided separately. Entry and exit points will be clearly marked and monitored. A parking attendant will manage the GSCC lot entrance. Volunteers will monitor the crosswalk throughout the event to ensure safe pedestrian movement.
