

ENCLOSURE 2 (Access Disqualifying Factors) to Command Policy Memorandum # 17

1. The following factors are automatic disqualifiers for installation access:

a. The NCIC-III contains criminal information about the individual that causes the garrison commander or commandant to determine that the individual presents a potential threat to the good order, discipline, or health and safety on the installation.

b. The installation is unable to verify the individual's claimed identity based on the reasonable belief that the individual has submitted fraudulent information concerning his or her identity in the attempt to gain access.

c. The individual has a current arrest warrant in NCIC, regardless of the offense or violation.

d. The individual is currently barred from entry or access to a Federal installation or facility.

e. The individual has been convicted of crimes encompassing sexual assault, armed robbery, rape, child molestation, production or possession of child pornography, trafficking in humans, drug possession with intent to sell or drug distribution.

f. The individual has a U.S. conviction of espionage, sabotage, treason, terrorism or murder.

g. The individual is a registered sex offender.

h. The individual has been convicted of a felony within the past 10 years, regardless of the offense or violation.

i. The individual has been convicted of a felony firearms or explosives violation.

j. The individual has engaged in acts or activities designed to overthrow the U.S. Government by force.

k. The individual is identified in the Terrorist Screening Database (TSDB) as known to be or suspected of being a terrorist or belonging to an organization with known links to terrorism or support of terrorist activity.

2. The garrison commander can, at any time, add disqualifying factors that would deny an individual access onto the installation. Any additional disqualifying factors need to be published in local policy.

3. Individual that are denied installation access must request the waiver application packet.
